**Reverend Canon Brian Cox,** has been working in faith based reconciliation for over 20 years. He introduced his concept in Santa Barbara five years ago. Since then African-American and Caucasian men of faith have been meeting to discuss racial issues as they relate primarily to our community. We invite people of all persuasions to take part in this fellowship. For more information contact Pastor Shepherd at 805-965-8912.

**Dr. Samuel De Palma, Rabbi,** is an internationally acclaimed bass baritone singer. Born in Chile, at the age of seven he was sent to study opera in Italy. He has performed several major opera roles. Dr. De Palma has sung for several Popes, King Juan Carlos of Spain, the Queen of England, five U.S. Presidents, and other notable people. His lead roles have been at the Metropolitan Opera House, Carnegie Hall, and the Peace Conference in Basel, Switzerland.  
**Samuel De Palma Performing Arts Society** is an outreach ministry that supports 62 boys, ages 10-18, most of whom are African-American. Choral music is a major part of their instructional program.
